Dublin 2019 introduces new payment plan option to spread the cost of attendance

Dublin 2019: An Irish Worldcon has announced a new payment scheme which enables members to spread the cost of their attending membership over an extended period, while also protecting themselves against future rate rises.

The Dublin 2019 Instalment Plan enables fans to spread the cost of an Adult, Young Adult or First Worldcon Attending Membership over a number of bi-monthly payments. Under the Plan, you first buy a Supporting Membership and then pay the amount for conversion to Attending Membership in instalments. The charge for your Attending Membership will be frozen at the time your application to join the Plan is received and accepted.

Applications for new Instalment Plans will be accepted until January 31, 2019. Instalment Plans must be paid off in full by May 31, 2019 at the latest.

With the Adult Attending Membership rate rising from €160 to €180 at 00:01 hours Dublin time on April 3, 2018, this is an ideal time to start an Instalment Plan and ensure that you can attend Dublin 2019 at the lowest possible cost.

Full terms and conditions for the Dublin 2019 Instalment Plan can be found at <https://dublin2019.com/instalment-plan/>. All classes of Dublin 2019 membership are also available for immediate purchase through the Dublin 2019 website at <https://api.dublin2019.com/>. Full information on membership classes and terms can be found at <https://dublin2019.com/join-us/>.
