These rises take effect at 00.01 Dublin time on Monday, September 3.

The rate for a Supporting membership is unchanged at €40. The rate for an Infant, born after 16 August 2013, remains unchanged at €5.

As part of the convention's policy to encourage families and children to attend Dublin 2019, discounts of up to 10% for Adult-Child families of three or more members are available. Families should register as Supporting members and fill out a Family Membership request form on the [website](#) to have the balance calculated.

An instalment plan is available to Adult, First Worldcon, Young Adult, and Family members to spread part of the membership cost over a series of bimonthly payments. To activate it, prospective members should register as Supporting members, activate their Family Membership if any, and then fill out the Instalment plan request on the [website](#). The total charge for the membership will be frozen at the time of signing up to the plan.

Dublin 2019 - An Irish Worldcon will take place in the Convention Centre Dublin from August 15 to August 19. Activities at the Dublin Worldcon will include the 2019 Hugo Awards, the world's leading awards for excellence in science fiction and fantasy, as well as the spectacular Masquerade costume display. There are typically 650 to 800 separate programme items, including author readings and autograph sessions, films and videos, academic presentations, and panel discussions on speculative literature and other media, many involving fans and audience.

"We hope that as many people as possible will take advantage of our advance rates and enjoy the fantastic entertainment that we're putting on for them, including the first Fringe Programme at a Worldcon," said convention Chair James Bacon. "Dublin 2019 - An Irish Worldcon is committed to being accessible and family-friendly both for veteran fans and fans who are joining us for the first time."

More than 2500 people have already signed up as members of Dublin 2019. The Dublin 2019 organisers are working to enlarge participation through the con's own FANTastic Dublin fund as well as the Con or Bust scheme.

Guests of Honour for Dublin 2019 include YA author Diane Duane, and screenwriter and Hugo winner Ian McDonald, as well as game designer Steve Jackson (Melee, Chaos Machine, Munchkin) and editor Ginjer Buchanan. Science Guest of Honour will be Dame Jocelyn Bell Burnell, who discovered radio pulsars in 1967 as a postgraduate student. Bill and Mary Burns will be fan Guests of Honour.
