

General Accommodation Information - Updated 1/2019

Dublin's accommodation booking opens on Tuesday 9 Jan 2019, 2pm Irish time (3pm CET or 9am EST). The full amount of each reservation will be charged on booking, but in most cases, this will be fully refundable until 10 May 2019, and will then be 50% refundable until the 10 June. You can pay with **any type of Visa or MasterCard** - credit, debit or prepaid card. The convention bookings will then close, and accommodation bookings will be non-refundable. We are investigating possible ways to transfer unamended bookings between members.

See the table below for details of all our accommodation options that are we currently contracted with. They were selected based on their rates and location and most have a route to the convention centre that involves a walk of less than a kilometre. We have also prioritised our hotels so that many have good access routes for those of you on wheels using the LUAS Red Line. If you don't intend to walk to the convention, include transportation costs in your estimates. Most Bus, Dart and LUAS fares will be €2.50 per journey per person. See the table for estimated taxi fares. We are confident that our rates will be the cheapest available for similar hotels. However, you know what suits you, and you may find cheaper digs in other three and four-star hotels out in the suburbs of Dublin and by the airport, or in Budget and Hostel accommodation in the city centre.

For those with a bigger budget, we have suites at hotels close to the convention centre. E-mail suites@dublin2019.com. Junior suites are €90-€100 extra per night at the Spencer and Gibson and deluxe suites are €150 extra per night at the Spencer.

Due to our competitive rates and the limited number of rooms guaranteed you will need to be a member of the convention to book rooms at the convention rate. Most hotels can be booked for the nights 13-20 Aug inclusive. The Spencer, Hilton Garden Inn, Clayton Cardiff Lane and Gibson can be booked 11-20 Aug inclusive. See dublin2019.com for more information about our accommodations.

In total we have currently contracted 1,770 rooms, able to sleep up to 3,565 people. The average walking distance to the CCD is 1,725m and the average minimum walking distance (after taking public transport) is 425m. The average rates are €205 (single occupancy with breakfast) and €220 (double occupancy with breakfast). Our aim is to bring our total number of rooms to over 2,000 sleeping 4,000 from on-going negotiations with several other hotels and apartment management companies.
